Dear Honorable Robert Patterson:

As Your Honor may recall, we submitted under telefax dated January 25, 2008, a proposed Judgment which reflected the dismissal of the action as against Hyundai Merchant Marine, but also clarified the remaining action against UCB Freight Services was unaffected and that the action remained open as against that defendant.

We note that Your Honor has endorsed and filed the Order that we had submitted for which we thank you. However, the Docket Text as per the e-mail we received from the Clerk's office today confirming the filing of the aforementioned endorsed judgment, incorrectly states that judgment has been entered in favor of all defendants, including UCB Freight Services, and that the Complaint is dismissed. We respectfully request that Your Honor instruct the Clerk to correct this mistake and to reflect that the Complaint as against the sole defendant, UCB Freight Services, is not dismissed and that the matter remains active against that sole defendant.

We thank Your Honor for your continued patience and cooperation and respectfully request that you favorably consider this request for clarification of the Docket Text.

Respectfully submitted,

BADIAK &amp; WILL, LLP
